

Black Brush Jack Russells Dia de Los Perros 2021 Homecoming Play Day October 30, 2022

Black Brush JRT Kennels in Cotulla, TX

8:00 Am

Catered Meal Provided

Entry FEE \$20

We have been hosting this play day (3 years now) for a variety of reasons. First and foremost, we love seeing everyone and playing with the dogs. It's a fun way to have everyone back and see how the dogs have developed. The 2nd reason is to expose you and your dogs to a fun filled day full of exciting activities that you would experience at a JRTCA sanctioned trial. It's a laid-back atmosphere, where you can ask questions and let your dogs enjoy being a Jack Russell Terrier. We start off in the morning with some coffee and refreshments while we go over the events of the day and explain the rules and procedures. After racing, will be lunch. Following lunch will be several events running concurrently--Brush Hunt, Go To Ground/Super Earth, and the Lure Course. Don't worry. Experience is not required. All of us here at Black Brush will be available to answer questions and help at each event.

Some Playday Basics to know before hand:

- All dogs must be on lead at all times. NO FLEXI LEADS ALLOWED. Use a secure 4-6ft leash. Loose Jacks can hurt one another, or even run into the brush.
- Practice JRT social distancing and use the 6ft rule here as well. Jacks may fight and be territorial while on a leash.
- Bring a well-ventilated crate or exercise pen with a top. There is plenty of room for you to set up an area for you and your family.
- Dress comfortably and prepare to get dirty. You WILL get dirty.
- All dogs must wear a muzzle when racing.
- No collars or harnesses allowed when participating in ANY event. The easiest way to handle the dogs is to use a slip lead.
- This is a Jack Russell event only and we discourage bringing a dog of another breed. Please contact us directly if we need to work something out.
- Please pick up after your dog.

ALL ACTIVITIES WILL BE PENDING WEATHER CONDITIONS. WE WILL KEEP YOU UPDATED AS BEST WE CAN.

- **Racing** (muzzle is required to participate). We will introduce your dogs to start box and chasing lure.
- **GTG/SE** (muzzle not required). Your dog will be introduced to playing with a rat in a cage and then placed in novice tunnel.
- **Lure course** (no muzzle required). Lots of fun chasing a lure around a course.
- **Barn/brush hunt** (no muzzle required). A small simulation where your dog will sniff out a hidden rat confined in a cage or tube.

NEW EVENT THIS YEAR!

Muskrat racing across the pond. We are excited to finally have this event. This event involves a dog chasing a lure across the pond. They will get wet and dirty!! Lots of fun. This will be held at the end of the day.
